We are predominantly interested in manuscripts related to promising and effective educational practices in rural schools, educator preparation for rural P-16 institutions, and issues related to distinct rural populations. We invite several types of articles and/or multimedia creations, including those with an international focus: practice-based; educational innovations; partnerships for education; research-based articles; review articles; and book reviews focusing on rural education. Please see Author Guidelines at the website for additional submission information.

All proposals will be subject to double blind peer review.
